An online project for LGBTQ+ young people by LGBTQ+ young people

Are you LGBTQ+ and under 25 in Greater Manchester? Do you want to help young people connect in the LGBTQ+ community, and be a part of a new online movement to have fun, raise awareness, advocate for change and empower young LGBTQ+ voices?

Then we need you!

We're looking for young LGBTQ+ people to create content for the Q42 website, blog, twitter, Instagram, podcast and YouTube!

Be a part of something big! Just send us an email with your ideas and we'll make a plan!
