

Domestic Violence Perpetrator Programme Road Map - the journey and turnings the men might take

Road to Nowhere
Please turn back

Road to Nowhere
Please turn back

Men anticipate being judged, so make themselves out as the victim

Practitioners need to use motivational skills to keep men on track

Men try and get workers to collude with their avoidance tactics

Practitioners need to be aware of and avoid colluding with men

Men tend to blame, minimise and deny their use of abuse

Practitioners need to try and assist men take responsibility, develop empathy and maintain focus on positive goals
