

# Salford Relationships Matter: *Youth Service DA offer - Young Parents*

- Discussion and exploration of the impact of abusive and unhealthy relationships on children with all young parents
- Bespoke work with couples around healthy relationships and parental conflict, often with the support of another professional who is working with the partner., including support to access Claire's law
- Work with perpetrators of domestic abuse around what a healthy relationship is, what has been abusive about their behaviour and how they are going to address, the impact of DA on children and their long term aspirations for their children
- Work with victims of domestic abuse, exploring what a healthy relationship is and what behaviour has been abusive, how to keep themselves and their children safe and strategies to enable them to move forward and have future healthy relationships
- Work with and support to parents who are estranged or share care of a child, around how to maintain that relationship and develop effective contact with their children
