

# Striving for **Change** Manchester

Talk  
Listen  
Change

**A new service for those who  
want to improve their relationships**

Does your partner...

- **Show you no respect?**
- **Hit you?**
- **Have issues with jealousy?**
- **Shout at you?**
- **Control you?**

**Striving for Change** allows your partner or ex-partner to look into their behaviour, understand how their behaviour affects you and your children and work towards change.
