VISIBLE JUSTICE

An LGBTQ+ Inclusivity Handbook

You're invited to the launch of Visible Justice: An LGBTQ+ Inclusivity Handbook! A Salford Youth Service and 42nd Street collaboration, this broad introductory guide provides productive and accessible tools for professionals of any kind to improve their LGBTQ+ (lesbian, gay, bisexual, trans, questioning, and other queer identities) inclusion. Covering topics from foundational terms and concepts to how to navigate complex issues, you'll be sure to want to get your hands on a copy of this important and helpful resource!

Join us on Tuesday 9 March at 14:30 for an exciting virtual event where you'll get a chance to hear from guest speakers including co-authors Dr. Christopher Owen and Scott Lauchlan-Ford, try out some fun and interactive workshops based on the information provided in the handbook, and get the exciting opportunity to be the first to order your copy of Visible Justice! All proceeds go toward supporting LGBTQ+ young people in Greater Manchester.
