

Parental Mental Health Training

Greater Manchester Mental Health Trust Corporate Safeguarding Team are offering further dates for their Parental Mental Health course.

This free, 3-hour, online course is aimed at non mental health professionals who work with children and young people.

The course will explore parental mental health and its potential impact on children in that family. It will look to discuss common mental health problems and their most common symptoms. It will explore young carers and the difficulties they face as well as discussing common difficulties for parents experiencing mental health difficulties.
