Support and Safeguarding in Salford

The child is supported by their parents/carers in the community with access to mainstream (universal) services but with no identified additional needs.

Diverse community self-help arrangements may also support parents and carers in providing good care for their children

The child's needs are not clear, not known or not being met. Help is required via an Early Help assessment.

An <u>Early Help Assessment</u> and Team Around the Family (TAF) would be recommended to co-ordinate the delivery of services, promote integrated working and family participation.

Getting help

Thriving

The child or family need more urgent help and support to be safe and be protected from harm.

This in particular includes Child Protection or a

Young Person's Plan (YPP) which will require Children's Social Care assessment and intervention Getting more help

The child's needs require longer term intervention from statutory or specialist services. High level additional unmet needs will usually require a targeted integrated response.

A <u>Child In Need</u> plan maybe required Children's Social Care assessment and intervention

Worried about a child?
