# Hi. I'm Gaddum.

## There are many young carers in Salford that need our support.

We offer training sessions to all professionals in Salford around what it means to be a young carer and the support that is available to them.

Training can be provided in person, or virtually, and will provide an opportunity for you to ask any questions that you may have about young carer support in Salford.

By completing the training session, you will be granted an award to demonstrate your commitment to being more carer aware.
