CHARGING POLICY

The SSCP has re-introduced the non-attendance charging policy. Agencies will be charged if staff fail to attend if we are not informed of cancellation at least 10 working days before the session. This includes participants who arrive late and are not admitted by the trainers as they have missed a section of the course or participants who on the day inform the trainers they need to leave early. The charge will be £50 and the charging notification will be sent to your manager following the course.
