The SSCP has reintroduced the non-attendance charging policy. Agencies will be charged for staff who fail to attend if we are not informed of cancellation at least 10 working days before the session. This will include participants who arrive late on the day and are not admitted by the trainers as they have missed

a section of the course or participants who on the day inform the trainers they need to leave early. The charge will be £50 and the charging notification will be circulated to your manager following the course.
